

Civility Month

in

Rochester, Minnesota

Thank you for joining us by taking the Community Pledge:

To revive civility and respect in my community, I will make a conscious effort to:

- Seek a variety of reliable news sources with different perspectives in order to learn more about the forces that divide -- and unite -- our community and our country.
- Listen respectfully to people who have views different than my own, being mindful to avoid stereotyping and to not use language that is insulting or derogatory.
- Encourage and support efforts to bring together people of different points of view in our community to have civil and respectful conversations.
- Invite other people to join me in reviving civility in Rochester, Minnesota, and connect people with different perspectives in civil conversations to ensure a strong democracy.
